

## DR SCOTT CAMPBELL – BRISBANE NEUROSURGERY

### Brisbane Private Hospital

259 Wickham Terrace, Brisbane Qld 4000

(Ground floor if accessing via Wickham Tce OR Level 6 if accessing via BPH carpark)

---

## PARKING AND PUBLIC TRANSPORT

Undercover paid parking for patients and visitors is available in the Brisbane Private Specialist Centre car park off Birley Street. You can take the carpark lift straight to level 6. (Please allow sufficient time to seek alternative parking as the hospital carpark is often full)

A number of 2 hour car parking bays are also available surrounding the hospital.

Please note: Parking bays allocated to Doctors and Ambulances are not available for patient or visitor parking. Cars parked in disabled car spaces must display a valid permit. Drop off zones are available at main entrance to the hospital. Wheelchairs are available from front reception.

**If parking is unavailable at our onsite car park please note the following car parks and public transport options are available in the area:**

Wilson Car Park - via Bartley St off Wickham Terrace (200m)

Wickham Terrace Car Park - corner of Upper Edward St & Wickham Terrace (500m) and can be accessed from Turbot St and Creek St

Astor Terrace Car Park – 28 Astor Terrace (500m)

**BUS:** The Spring Hill City Loop service operates on a continuous loop between the CBD and Spring Hill. This is a free service and the bus stop is located on Wickham Terrace at the front of the hospital. This service does not operate on weekends or public holidays. A timetable is available at the Hudson's Coffee at the Brisbane Private Hospital.

**TRAIN:** There are two stations nearby: Central Station (450m) and Roma Street Station (650m). Please note, there is an uphill walk from the train stations to the hospital. We recommend you catch a taxi or the Spring Hill Loop bus if you feel you may have trouble walking uphill.

The Brisbane Private Hospital is located 17kms from the Brisbane Airport. The Airtrain stops at Central Station and Roma Street Station, and leaves the airport every 30 minutes.
